董事會認為發行TDR是為本公司籌集額外資金的最適當方法

The Directors are of the view that the TDR Issue will be the most appropriate method of raising extra funds for the Group's future business development having taken into account the Group's current working capital requirement, the prevailing market conditions and the cost involved in the TDR Issue when compared with other means of fund raising exercises.

The Directors believe that the TDR is an attractive alternative for international investors, particularly potential investors in Taiwan, to invest and deal in the Shares which will broaden and diversify the shareholder base of the Company and provide an additional fund-raising platform for the Group. The Directors consider that the TDR Issue will also increase the public awareness of the Group and will promote the Group's corporate image internationally, which will enhance its competitiveness and be beneficial to the Group's overall business development and is therefore in the best interests of the Shareholders as a whole.

The following table sets out the shareholding structure of the Company as at the date of this announcement and immediately upon completion of the TDR Issue based on the assumption that an aggregate of 100 million New Shares will be issued pursuant to the TDR Issue and there will be no change in the Company's share capital prior to the completion of the TDR

By a resolution of the Shareholders passed at the annual general meeting held on 12 June 2009, the Company granted the General Mandate to the Directors to allot and issue up to 339,996,300 Shares, being 20% of the aggregate nominal value of the share capital of the Company in issue as at 12 June 2009, to be extended by an amount representing the aggregate nominal amount of the share capital of the Company repurchased by the Company during the relevant period of the General Mandate (if any). The Directors have not exercised the power to allot and issue any new Shares pursuant to the General Mandate granted. It is expected that the New Shares will be issued under the General Mandate and thus no Shareholders' approval is required in respect of the issue of New Shares for the purpose of the TDR Issue.

The Company has not carried out any capital raising activities during the 12 months immediately preceding the date of this announcement.

As at the date of this announcement, the Board has not yet finalised whether and when the TDR Issue will be launched. There is also no assurance that the approval for the TDR Issue and the listing of the TDR on the Taiwan Stock Exchange by the Relevant Authorities and/or the listing of the New Shares on the Hong Kong Stock Exchange will be granted.
